### A TRADITION OF PROVIDING EXCELLENT REPRESENTATION AND OBTAINING OUTSTANDING RESULTS IN SERIOUS PERSONAL INJURY CASES

Leonard & Leonard, P.A. was founded almost a half century ago by the late legendary trial lawyer, Alvin R. Leonard, who fought his entire career to seek justice for personal injury victims and their families. Todd Leonard and Scott Leonard continue this proud legacy of representing the catastrophically injured and providing exceptional legal services to their clients.

The firm handles all types of complex personal injury cases including wrongful death, catastrophic claims, traumatic brain injury cases, premises liability, products liability, nursing home neglect, playground/recreation accidents, road defect cases and work place accidents.

Todd Leonard is an accomplished trial lawyer with more than 25 years experience in personal injury litigation. When asked why he became a trial lawyer, he says, "My late father instilled in me the passion to help others."

He is a life member of the Multi-Million Dollar Advocates Forum and was selected to Super Lawyers in 2011 and for 2013. He is also an active member of the community where he has been the head coach for the Morris County Special Olympics basketball program for more than 14 years.

Scott Leonard is certified by the Supreme Court of New Jersey as a civil trial attorney and has been selected to the Super Lawyers list each year since 2008. He is a zealous advocate for his clients and for preserving the civil justice system. He is very active in the legal community and is the current president of the New Jersey Association for Justice (formerly ATLA-NJ). He is a frequent lecturer to fellow lawyers on a wide range of subjects including litigation techniques, law firm management and ethics. Since becoming a trial lawyer 17 years ago, he has helped thousands of his clients receive the compensation they deserve through his extraordinary skill and dedication. When asked what is the secret to the firm's success, he responds, "It's our teamwork. When we take on a case, we all work together to make sure our clients get the best results." This teamwork led to a recent recovery for a severely brain-injured boy and his family of over \$29.5 million.

Many lawyers throughout New Jersey and the U.S. refer their serious personal injury cases to the firm of Leonard & Leonard, P.A., based on their experience and their outstanding results.
